## Metal fittings for plastic piping systems **UPONOR GmbH**

## STATEMENT BY KIWA

This product certificate is based on BRL 5606 "Plastics piping systems of PE-X intended for heating installations: radiator connections", dated 25-10-2016, issued according to the Kiwa-Regulation for Certification.

The quality system and the product characteristics of this product are checked periodically. Based on this, **Kiwa declares that** there is legitimate confidence that:

Upon delivery, the product supplied by the certificate holder meets the requirements:

- Of the technical specifications laid down in this product certificate,
- The product requirements laid down in this product certificate and in the BRL.

Provided the products are accompanied by the KOMO<sup>®</sup> quality mark in the manner set out in this product certificate.

Ron Scheepers Kiwa

This product certificate is only valid in combination with a KOMO certified plastics piping system. This product certificate is also included on the KOMO foundation websites: <u>www.komo.nl</u> and <u>www.komo-online.nl</u>. Users of this product certificate is advised to check whether it is still valid. For this purpose consult the website of Kiwa: www.kiwa.nl.
