Valid until	Indefinite	Page	1 of 4

Uponor comfort pipe - Q&E system

Uponor GmbH

STATEMENT OF KIWA

This technical approval-with-product certificate on the basis of BRL 5606 Plastics piping systems of PE-X intended for heating installations: radiator connections issued on 25 October 2016 by Kiwa, in accordance with the Kiwa regulations for product certification.

The quality system and the product characteristics belonging to the Uponor comfort pipe – Q&E system checked periodically and the performance of the U[ponor comfort pipe – Q&E system in the application as radiator connections is assessed. The basic principles for the assessment are checked periodically.

Based on this Kiwa declares that :

- legitimate confidence exists that the by the holder of the technical approval- with-product certificate delivered Uponor comfort pipe – Q&E system comply with :
 - the technical specifications as laid down in this technical approval-with-product certificate;
 - the product requirements as laid down in this technical approval-with-product certificate, provided that the Uponor comfort pipe – Q&E system has been marked the Uponor comfort pipe – Q&E system with the KOMO®-mark in the manner as indicated in this technical approval-with-product certificate;
- the Uponor comfort pipe – Q&E system provides the performances as described in this KOMO technical approval-with-product certificate, provided that:
 - the application conditions and technical specifications as described in this KOMO approval-with-product certificate are met;
 - the manufacturing takes place according to the processing methods as laid down in this technical approval-with-product certificate.

Within the framework of this KOMO technical approval-with-product certificate there are no inspections with regard to the production of other parts of the Uponor comfort pipe – Q&E system or the processing of the Uponor comfort pipe – Q&E system.
