**Quick & Easy System**

**UPONOR GmbH**

**STATEMENT BY KIWA**

This technical approval-with-product certificate on the basis of BRL 5609 Pre-insulated flexible plastics piping systems for warm water distribution outside buildings - Part 2: Products issued on 27 August 2019 by Kiwa, in accordance with the Kiwa Regulation for Certification.

The quality system and the product characteristics belonging to the Quick & Easy System are checked periodically and the performance of the Quick & Easy System in the application as floor heating is assessed. The basic principles for the assessment are checked periodically.

Based on this Kiwa declares that:

- legitimate confidence exists that the by the holder of the technical approval- with-product certificate delivered Quick & Easy System comply with:
  - the technical specifications as laid down in this technical approval-with-product certificate;
  - the product requirements as laid down in this technical approval-with-product certificate, provided that they have been marked the Quick & Easy System with the KOMO®-mark in the manner as indicated in this technical approval-with-product certificate;
- the Quick & Easy System provides the performances as described in this KOMO technical approval-with-product certificate, provided that:
  - the application conditions and technical specifications as described in this KOMO approval-with-product certificate are met;
  - the manufacturing takes place according to the processing methods as laid down in this technical approval-with-product certificate.

Within the framework of this KOMO technical approval-with-product certificate there is no inspections with regard to the production of other parts of the Quick & Easy System or the processing of the Quick & Easy System.

Ron Scheepers
